

I have proudly served as your 2nd Vice President for CUPE Local 204 for the past eight months. During this time, I have worked hard to be a strong, consistent voice for our members, advocating with integrity, transparency, and respect. As a healthcare worker, I understand firsthand the pressures, challenges, and realities our members face every day, and I am deeply committed to ensuring those voices are heard and valued.

If re-elected, I will continue to lead with compassion, accountability, and dedication. I believe in open communication, teamwork, and working collaboratively with members and executive alike to strengthen our local. Together, I want to help grow CUPE Local 204 into a united, informed, and empowered local that supports one another and stands strong for the future

RE-ELECT
